Connect 476 3.10m to 4.0m From **\$12,600** (Incl. GST)

Brian James Trailers are manufacturers of Car Transporter Trailers and a full range of Commercial Trailers. They offer you quality trailers to suit your needs without compromise

CarGO Connect is the most adaptable commercial goods and vehicle transport trailer. To provide complete flexibility a range of new and unique solutions allow re-configuration on demand. Drop sides, extended mesh sides, loading ramps, full width ramps, tiltbed facility and winches are some of the options allowing you to "Click and Connect" to meet changing needs.

Platforms sizes are offered from 3.10 m through to 6.0m long, in standard widths of 1.80, 2.13m or 2.25m. GVM of 3500kg allows large load carrying capacity.

CarGO Connect sets new standards in trailer engineering quality and value for money. The resulting longevity of chassis and components will continue to deliver results well into the future.
